PARENTS CAN HELP

Career advice, financial & emotional support, guidance on navigating adulthood - all contribute to your child's success. Find the balance between supporting them and offering independence.

Tips on how you can maintain that balance
between support and independence!

DO'S

- ✓ Brainstorm ideas & questions about programs
- ✓ Discuss plans for financing
- ✓ Discuss course registration and selection
- ✓ Offer encouragement during application and course work
- ✓ Discuss their progress

DON'TS

- ✗ Take over researching about programs for them
- ✗ Complete applications for admission
- ✗ Submit budget or funding applications for them
- ✗ Register for courses for them
- ✗ Contact professors or instructors
- ✗ Remind them about coursework
